

PIPPA MABY

+447828801401 | pippa.maby@icloud.com | London, UK

PROFILE

3rd year chemical engineering student looking for an industrial placement with a particular interest in sustainability and renewable energy. My EPQ on hydrogen as an alternative fuel, sparked a genuine interest in research and problem-solving, which I enjoy combining with my strong teamwork and communication skills.

EDUCATION

- Loughborough University: Master’s degree in Chemical Engineering2024-2029
- Achieved a 2:1 in Second year.
- Ibstock Place School: London2010-2024
- A-Levels:** Mathematics (A), Chemistry (B), Biology (C).
 - Extended Project Qualification:** Is Hydrogen the Solution to the Climate Change Crisis? (A*)
 - 11 GCSEs:** 9 in Maths, 7 x grade 8s (incl English Literature & Language, all sciences), 3 x grade 7
 - English Speaking Board Level 3 Grade 8:** Distinction.

TECHNICAL SKILLS

- Siemens NX 12.0 – to create 3D model and P&ID diagrams2024- Present
- MATLAB2024- Present
- Aspen plus2025- Present

WORK EXPERIENCE AND VOLUNTEERING

- Efectis: Interned at Efectis alongside fire testing engineers over a 3-week internship, gaining hands-on insight into fire testing methodology and the conditions that determine test failure.2026
- HEA annual Hydrogen conference: Volunteer helper2026
- High Society: Waitressing at large high-end events in London, often 10-hour shifts2025- Present
- Accommodation Committee Member: Loughborough University2024- 2026
- GSK: Completed Molecule to Market module work experience2023
- Volunteering: Full-time carer for lady with hip replacement August 2026, Mosaic Primary School 2022-2023, Roehampton community Healthcare Program 2024

CERTIFICATIONS

- Coursera: AI Agents & Agentic Workflows, AI Python for Beginners, What is Data Science?2026

ACHIEVEMENTS

- Gold Duke of Edinburgh Award2023-2024
- Silver Industrial Cadet Award: Researching different renewable energy sources.2023
- Jazz Clarinet Grade 8 with Merit2023

INTERESTS

Tennis (play for Loughborough Halls of residence), Fundraising (running or hiking for Cancer charities and Save the Children), Cooking and Music.
